Required Equipment to Bring:

Firearm, 2 Magazines, Magazine Holder, and 50-100 Rounds of Ammunition

Course Content:

Basic Pistol Stage 2 class will start with an Introduction to Basic Pistol fundamentals refresher and then move into additional advanced skills such as strong hand and weak hand shooting. These drills allow the shooter to gain a better understanding on how to grip a weapon, while shooting with only one hand. Once this is mastered, we will move into double tap drills with the strong hand and weak hand while shooting on a 5 part target. This drill is designed to increase the shooter's eye and hand coordination while shooting with one hand. The last drill will be the double tap drill with a tactical magazine drop and change. This will be with both hands, along with strong and weak hand shooting. The drills will allow the shooter to keep their focus on the
